

Queen's Center for Biomedical Research

Amendment to QCBR fire safety policy: Fire safety regulation as it pertains to hearing impaired personnel and/or visitors.

1. This amendment has been established for hearing impaired QCBR employees and/or hearing impaired visitors present on the UH Tower 8th floor.
2. In case of a fire alarm non-hearing impaired QCBR personnel shall make sure that hearing impaired employees and/or visitors are made aware of the fire alarm in order for all QCBR personnel to evacuate the building in a timely manner.
3. QCBR employees are required to stay with hearing-impaired visitors at all times while on the 8th UH Tower floor.
4. A notice will be on display at front desk asking hearing impaired visitors to request escort before touring the laboratories.

I have read and understood this policy.
